

MB6 FOUNDATION

March 2, 2021

The City of Mauldin Recreation Department would like to thank MB6 Foundation for their donation to Mauldin Recreation youth sports programs. This donation will help us to enable several young girls and boys an opportunity to play sports with Mauldin Recreation.

With the \$700.00 donation that the City of Mauldin Recreation Department received from the MB6 Foundation, we were able to give athletic scholarships to 10 kids for our spring sports. There were 10 participants that received the athletic scholarship money this spring, 2 girls and 8 boys.

This donation is great deal of help to our program to help accommodate for these players and families. Our plan is to continue to spread the amount of donated money through the participants' in our programs to help lower registration fees.
